## SIMS HEARS FALTIN INSANE; REFUSES TO HANG MURDERER

Death Watch, Who Tells Him to Hold His Horses, While Officials Confer and Quarrel

#### PRISON HEAD IS NOT TO BE MOVED

Is Unshaken by News He Will Be Cited for Con tempt: Claims Duty Calls: | s Interviewer

(Special to The Republican) PLORENCE, Nov. 26 -- William Faltin was not executed today. In spite Same, according to the attorney beeted, Early in October it was re-of the fact the board of pursions and general, was entirely outside of the ported that the pope had sent a paroles refused to take action Warden Simo could not see his way clear to

It was noticeable about the prison this morning that today had not been selected for an execution. There was on air of suppressed excitement, flavored with general buoyancy of spirit on the part of all the officials. Faltin, though he had not been informed that the execution was off, was aware that his day had not come, due to the fact he had not been prepared for death in the usual manner. He had asked to be shaved and otherwise prepared for his final hour, but had been told by the death watch to hold his
